Summer 2025

Special Announcements

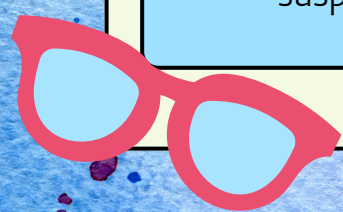

We're excited to kick off another fun-filled summer! Summer Camp will officially begin on Monday, June 23rd, and a separate camp calendar will be shared with our Preschool and Pre-K families.

Water Play starts on June 23rd, and all classes will follow a set weekly schedule. Mobile Infants, Tiny Tots, Explorers, and Busy Bees will participate on Mondays & Thursdays. Sprouts, Preschool, and Pre-K will join on Tuesdays and Wednesdays. Fridays will be reserved as a make-up day for Preschool and Pre-K in the event of a camp show falling on their set days.

To ensure your child can safely enjoy Water Play, please send them with a bathing suit, towel, and water shoes. Water shoes are required-children will not be permitted to participate barefoot. If water shoes are not provided, a spare pair of shoes and an extra set of clothes must be kept in your child's cubby in case their outfit gets wet. If your child needs sunblock during the day, please apply it at home in the morning. We are happy to reapply in the afternoon, but we can only use lotion sunscreen (no aerosol sprays permitted). A topical ointment form must be also completed and submitted to match the sunscreen provided.

Looking ahead, Fall re-enrollment packets for the 2025-2026 school year will be sent out in late July, and a registration fee will be charged in August. If your child is due for an annual physical, we strongly encourage you to schedule it soon to avoid any delays in paperwork.

To attend school in September, all students must have a current Universal Health Record, an updated immunization record, and completed enrollment paperwork for 2025-2026 school year. Children missing any of these documents will be suspended beginning September 2nd until all documents are received.
